

## Exposure Visit to Stakeholders Coming from 15 Countries of Europe, Canada, Africa and Asia

Supported By:

Successfully conducted the Exposure Visit To Stakeholders Coming from 15 Countries of Europe, Canada, Africa and Asia. The team visited various cotton growing area of India such as Tamilnadu, Andhrapradesh, Karnataka and Gujarat.

WCS organized a Training cum Exposure visit to these visitors as part of the BCI program.

The main focus of the program was to introduce the Indian Sustainable Agricultural practices to the visiting farmers and to exchange their practices to Indian counter parts.
